- ▶ Class of 2021
  - ▶ Current sophomores are encouraged but not required to select a career pathway and diploma endorsement.
  - ▶ Students who select a career pathway and diploma endorsement are encouraged to select their 2019-2020 courses based on those goals.

# What should you do with your student now?

- ▶ Help your student to begin thinking about their career goals. Is picking a career pathway and diploma certificate right fit those goals?
- ▶ If choosing a career pathway indicate it on your student's course selection form and pick your 2019-2020 courses based upon that career pathway.
